

Open Donor: Camden

Staff impression:

Camden is incredibly cute with light brown wavy hair, piercing green eyes, and a smile that will light up the room. He has a very model-esque appearance with his beachy hair and flawless complexion it is hard not to notice how attractive this donor is.

Camden is very laid back and upbeat. He is quick to ask us about our lives and readily share about his. He loves art, music, architecture, and athletics (swimming in particular).

This donor responded “my care free but driven approach to life” when asked what makes him a unique individual. With his laid back demeanor and his driven and focused attitude this donor is a joy to be around and watch grow.
