Staff Impression

Cody has a muscular build with great definition, a result of his active lifestyle and regular weight training. He has straight blonde hair that is complemented by blue eyes and a fair, smooth complexion. Cody is usually clean to show off his full, pink lips and bright, wide smile. All these features make Cody an attractive young man.

Cody is extremely intelligent, working a variety of roles in the financial industry. He is extremely driven, striving to make progress in his career every day. While very motivated in his career, he is also easy going and easy to get along with. Cody is outgoing, reliable, genuine and a good conversationalist. Our favorite thing about Cody is how close he is with his family and how much they've shaped the amazing person he is today.
