

Open Donor: Gavin

Staff Impression

We cannot say enough wonderful things about Gavin. He is genuine, polite, caring, athletic and good looking! Gavin always comes in with a smile, exuding optimism and looking for a way to improve our day. He loves to give back to his community and the people in his life. Gavin is currently working on a degree in education so he can become a teacher. He also coaches basketball, a sport he loves and has played since he was a child.

Standing at 6'2" Gavin looks like a basketball player. His height plus his long, well-defined muscles give Gavin the look of a natural athlete. Gavin has large brown eyes and full lips that accentuate his amazingly infectious smile. He keeps his hair short and is usually clean shaven. He has a very casual style which reflects his easy going personality. Gavin is a truly amazing donor and we are lucky to have him in the program.
