

Wyatt Staff Impression

Wyatt's face is caring and bright; he almost always walks in with a smile on his face, and something fun and interesting to say. Wyatt has a medium build with large arms and shoulders from weightlifting. He has an oval face, a wide smile, bright blue eyes, a smooth complexion, and thick dark brown hair.

Wyatt is a truly a 'people person'; he lives to engage with people, and is kind and compassionate not only with his friends and family members, but also has an interest in helping the misfortunate and giving back to the general 'global community.' Wyatt seems to bring boundless energy and enthusiasm to everything he does. He is also quite an accomplished athlete, an avid reader, and a big practitioner of introspection and bettering himself. We think Wyatt is an amazing person, and would be a great donor for any family!
