Anton Staff Impression

Anton is a very handsome donor with a square, chiseled face that features enviable, high cheekbones. He has a broad-shouldered, muscular, physique. With the contrast of black hair, deep brown eyes, and fair skin, his features are quite striking.

Anton is adventurous, and is motivated by his career goals and desire to start a family of his own in the future. He is a jet-setting traveler who enjoys an active lifestyle exploring the world in various climates, landscapes, and cultures. He very much wants to have his own family someday and to help others build families of their own.
