

Arlo Staff Impression

Arlo has a unique look with tan skin, hooded eyes, and medium-brown hair. His face is diamond-shaped with a square chin, high cheekbones, a small and rounded nose, and symmetric features. He is in great shape and has an athletic, lean, muscular physique. Arlo's most stand-out feature is his big, full-lipped smile with pearly, straight, teeth.

Arlo is a confident guy who is comfortable in social settings as well as performing. When he is not surrounded by friends he is working on his degree in computer science, creating digital animation and videos, or lifting weights at the gym. His future goals are to work at a major tech company before he sets out to begin a company of his own. Arlo is very enthusiastic about helping families achieve their dreams of having children!
