

### **Roland Staff Impression**

Roland is a multilingual donor with a humorous personality and aptitude for mathematics. He is a go with the flow kind of guy who handles stressful conditions with calm and flexibility; despite being easygoing he is a competitive swimmer and powerlifter who doesn't shy away from a challenge.

Roland has thick, black, hair and a flawless complexion. Roland's face is rectangular with a square chin, chestnut brown eyes, and a full-lipped smile; his features are an even mix between Asian and European. His nose is straight with a well-defined bridge and rounded tip. He has a solid, muscular build from his rigorous weightlifting routine. We think this hard-working, social, and upbeat donor is a great choice!
