

Yuki Staff Impression

Yuki is the picture of health! He has a very athletic build from doing Judo, MMA, and wrestling. He also works out regularly and prides himself on eating clean. Yuki has great features, including straight, thick black hair, good cheekbones, large eyes, and a smaller, straight nose.

Yuki is currently enrolled in college working towards his degree in Sports Management, with the hopes of running his own company one day. Yuki enjoys spending his free time watching sports such as baseball, football, tennis and golf. He also is lead vocals for a small band he recently started with some of his friends. He enjoys traveling frequently to locations with historical depth, beautiful scenery and unique cultures. His favorite vacation memories come from his trip to Italy. With his confident outlook, ambitious attitude and friendly demeanor, Yuki is a great addition to our donor program.
