Rodrigo Staff Impression

Rodrigo has an oval face with attractive, symmetric, well-proportioned features. He has a small, shapely nose, high cheekbones, and a pointed chin. His skin tone is medium, and he has a flawless complexion. He has black eyes and a gorgeous head of thick, wavy, hair that he wears long.

Rodrigo has an altruistic personality and invests a lot of his time volunteering at his local homeless shelter and doing first-aid at community events. He stays fit by going on long runs several days a week to train for marathons. He loves cooking and baking and hopes to open a bakery someday so that he has a place to showcase his work, especially his fantastic sourdough bread!
