

Hayes Staff Impression

Hayes is a ruggedly handsome, gentle giant. He is very tall with broad shoulders and a large, muscular, build. He has a very masculine rectangular face with a strong jawline, well-proportioned nose, full lips, and heavy-lidded eyes. He has medium-brown hair, dark eyes, and an attractive light-tan complexion.

Hayes is a skilled carpenter and outdoorsman who enjoys making things with his hands, mountaineering, skiing, team sports, and dance. He is very intentional with his decisions and actions, a product of both his wisdom and high level of self-awareness. Hayes places a lot of value in inclusivity and nurturing strong interpersonal bonds. He views the experience of being a sperm donor to help others have children as an honor and privilege.
