

Osric (12635) Staff Impression

Osric has an attractive, heart-shaped face; high cheekbones; a full-lipped smile; and a small, rounded nose. He is lean and athletic, enjoying tennis, parkour, and boxing which all keep him fit and youthful.

Osric is hardworking, loyal, and boisterous with a big personality and an optimistic outlook on life. He is an enthusiastic conversationalist who is comfortable sharing his opinion on a variety of topics, such as food, movies, sports, and music. He does not shy away from the unbeaten path and has held a variety of jobs and is currently settled into a career as a healthcare project manager. He hopes to grow in his career and become a healthcare executive with his current employer. We think his determination will take him far and we are proud to have him in our program.
