

Hodge 12767

Hodge is a caring, empathetic, intelligent, and genuine guy. He is tall, with brown eyes and brown hair, and always greets staff with a friendly smile. Currently, Hodge works as a school orchestra teacher and enjoys sharing his love of music with others. Though he has been through challenges throughout his life like anyone else, he maintains a calm and hopeful personality and always seems to discover what to be thankful for in everyday life.

It is no surprise that Hodge's life revolves around music, however, in his free time, he also dabbles in drawing, sketching, and even painting murals! Hodge is a compassionate soul with a heart for helping others, and we are grateful to have him in our program!
