Fry Staff Impression

Fry is a younger donor with boy next door attributes. He is tall, standing at 6'3", he could be imposing, however, he is just the opposite, kind, outgoing and compassionate. Fry is quite cute, he has beautiful blue-green almond shape eyes that stand out in contrast to his thick, straight medium brown hair. Fry has plump, full lips, and a dazzling bright, white smile.

Fry is currently enrolled as a Criminology and Accounting major; however, he intends to pursue a career in the Unites States Marine Corps. He plans on achieving a high rank and helping to make the world a better place. He is very athletic and a bit of a dare devil, enjoying cliff jumping and boxing. If you are looking for an independent, driven and charismatic donor Fry is an excellent choice.
