Keller (12484) Staff Impression

Keller is cheerful, energetic, and outgoing. These personality traits serve him well as a real estate agent, but he is an artist at heart with a true passion for music and poetry. He is a gifted singer who also plays several musical instruments and produces music for other artists. When not busy with real estate or music, Keller can be found clowning around! He has a unique interest in circus arts, regularly practicing aerial arts as a fun way to stay active and fit.

Much like his personality, Keller has a youthful and attractive appearance. He has large, bright green eyes; a rounded nose, a broad, beaming smile; and an enviably flawless, tan complexion. He has broad shoulders, long limbs, and a lean frame. Keller is a great option for people seeking a handsome donor with a great personality and unique interests!
