Staff Impression Cho Soi 12855

Cho Soi has a magnetic smile, a kind disposition, and dreamy features. His eyes are deep brown and are his most prominent feature! They are framed by short, angular black eyebrows and hair. His face is long, oval, and clean-shaven. His nose is small, with a round, down-turned nasal tip. His kind smile is small with heart-shaped lips. He has a medium build with broad shoulders and long legs, complimenting his favorite hobby, Lindy Hop swing dancing!

Cho Soi has many unique interests! When he's not dancing, he's playing guitar, soccer, listening to jazz or rock-climbing! He is an entrepreneur, aspiring to be involved in "technologies of the future", also known as A.I. He has degrees in Math and Computer Science aiding in this desire. Cho Soi's wide variety of interests and heartthrob features make him an admirable person and donor!
