

Oak 14577 Staff Impression

Oak is a gentle giant standing at 6'4" with a medium to large athletic build. With long, flowing light blonde hair and a full, striking strawberry blonde beard, Oak's appearance is as impressive as it is unique. His delicate blue eyes and rosy cheeks radiate warmth and kindness, making him the kind of person who can light up any room with his presence. Oak embodies a perfect blend of strength and gentleness.

Oak is a master brewer with a knack for mechanics honed through years of crafting the perfect brew. Oak's talents extend beyond brewing; he's a natural swimmer and a former All-American in water polo! His eyes light up when he talks about his favorite animal, the elephant, which he believes to be the most superior creature on the planet. When he's not brewing or swimming, Oak indulges his creative side by drawing and writing short stories. His friends often tell him he has a good singing voice, which has won him many admirers. Oak is as charming as he is talented, blending strength, creativity, and a love for life in everything he does.
