

Bencher 18145 Staff Impression

His square-shaped head and strong jawline give him a bold, classic look. His brown hair is short and styled in subtle front spikes, a touch of edge that plays well against his clean-cut vibe. Full eyebrows arch naturally above almond-shaped eyes in a striking shade of royal blue—bright, steady, and a little hypnotic if you're not careful. His lips are full, and there's a scatter of light freckles across his skin that adds a casual charm to his otherwise sculpted appearance.

Bencher is the kind of attorney who commands the courtroom. Sharp-witted and disarmingly funny, he brings levity to even the most high-pressure situations. Despite the polish, Bencher is deeply empathetic and remarkably genuine—someone who actually listens. His natural warmth makes him just as trusted outside the courtroom, where friends and strangers alike tend to gravitate toward his easy charm. A passionate foodie, he plans his days like a menu—each meal an event, each snack a celebration. When he's not in the city, he's in the wild—hiking, skiing, and chasing alpine sunrises. Bencher thrives on variety: equally drawn to lively dinner parties and quiet trails. And always by his side (or occasionally stealing the spotlight) is his best friend, a pint-sized Mini Dachshund with a big personality.
