

Lumin 10934 Staff Impression

Lumin stands at 5'10" with a rugged, solid build. His dark brown hair falls in loose, wavy strands to his shoulders, framing his face in an untamed yet striking way. Thick, full eyebrows arch straight above his downturned dark blue eyes, which carry a quiet depth to them. His straight button nose adds a touch of symmetry to his rugged features, while his thin, straight lips are set beneath a long, well-kept beard. His presence is magnetic, exuding a quiet confidence and an undeniable charm.

Lumin is the kind of guy who can make anyone smile with his goofy antics and big heart. While he's working hard to become an electrician, there's a playful side to him that's always looking for fun. An Eagle Scout with a heart full of compassion, he's the first to lend a helping hand—whether it's with wiring or just giving someone a laugh. He's a bit of a golf enthusiast, even though his game is more about swings and misses than hole-in-ones at the moment, but hey, it's all in good fun! When he's not hitting the links, he's probably watching classic horror films, grinning ear to ear as he cheers on his favorite monsters, even if they give him a few chills.
