

Ridge 14667 Staff Impression

Ridge is six feet tall with broad shoulders and a noticeably muscular build. His slightly shaggy brown hair is full and falls in effortless soft waves, and he has warm brown eyes. He's got a round face with soft features - a slightly upturned nose and well-defined lips with a subtly cleft chin. Overall, Ridge is quite handsome in an understated way, the type who turns heads but also seems like someone you could actually have a conversation with.

Ridge is currently laser-focused on getting into law school. He's disciplined about his studies but manages to balance that with other interests. He trains in MMA, which keeps him in good shape and shows he's dedicated to his physical fitness. He's also picked up surfing recently, though he's still learning the ropes.

What's notable about Ridge is his steady approach to things. He's ambitious but not pushy about it; he quietly works toward what he wants. Whether he's studying, training, or trying to master a new skill like surfing, he puts in consistent effort. He is someone who takes his commitments seriously and follows through on what he starts. There's a genuineness to Ridge that makes him an appealing donor choice.
