

Open Donor: Pierre

### Staff impression

Pierre has a distinctly European style and air that makes him wonderfully unique. He has a deep voice that matches his looks well. Pierre has very dark hair that is full and slightly wavy. He has a beautiful pale complexion and full pinkish red lips. His cheeks have a natural ruddy hue that contrasts nicely with his skin tone. Pierre has the ability to tan to a glowing golden brown which makes his features stand out even more.

Pierre is very intelligent. He enjoys music and plays several instruments while also producing electronic music. Pierre has always been gifted in math and it translates well into his studies as a computer scientist. Pierre is also very athletic and excels at sports. He is very outgoing and sweet which makes him a pleasure to work with. Pierre is a very well rounded individual and would make a lovely donor choice!
