

Open Donor: Enrique

Staff Impression

Enrique has a mischievous smile and big curious brown eyes. He has smooth, olive skin and a flawless complexion. He keeps his brown hair short and neat and his face clean-shaven. Enrique's facial features symmetrically align with each other, making a very good-looking young man.

Enrique finished medical school and currently loves practicing in the field of medicine. He loves his family and takes pride in his roots. Enrique is well-traveled and wants to keep exploring new places, cultures, and ideas. He can be silly and goofy but serious when it comes to work and professional goals. Enrique makes for a great donor.
