

Open Donor: Sherman

Staff Impression

Sherman has light-brown skin and a flawless, smooth complexion. His hair is dark-brown and very curly. His big brown eyes resemble the shape of a tear drop. His straight nose, full red lips, and defined chin combine to make his face quite attractive. Because he exercises regularly through dance and recreational sports, Sherman stays in impeccable physical shape.

Sherman loves to move! A dancer, artist, and all-around creative person, Sherman literally enjoys staying in motion. He currently teaches English and loves it, while always staying involved in the arts during his time off from work. Sherman constantly strives to be a better person and give back to the world around him, making him a wonderful donor.
